

2017 Ontario Teachers' Pension Plan Information

Full time teaching in the Faculty of Education – University of Windsor

As a designated Faculty of Education (September 1, 2004), a *qualified* teacher who becomes employed at the faculty after the effective date of designation must commence mandatory participation in the plan effective with the date of employment. This includes any qualified individual who may have previously opted out of the plan.

Employees with one of the following are considered qualified and must contribute to the plan:

- Certificate of Qualification (including interim certificate) – replaces the Ministry of Education's Ontario Teacher's Certificate, Ontario Qualification Record Card and Letters of Standing.
- Letter of Permission obtained by their employer from the Ministry of Education. Participation is effective only during the period identified on the letter.

Non Eligible Qualifications

- Letter of Eligibility – not eligible to contribute to the plan. Membership commences once an Interim Certificate of Qualification is received, effective from the date of the certificate.
- Out of Province certifications – not eligible to contribute to the plan. Membership commences upon certification within the province of Ontario.

Service credit period ➤ September 1st to August 31st of each year = 260 days per the OTPP

Current contribution

Formula ➤

Contribution rates are based on the Year's Maximum Pension Earnings (YMPE) as determined by Canada Revenue Agency (CRA). Contributions to the plan are based on the following two-step formula:

A = 11.50% x pensionable earnings up to \$55,300 for calendar year 2017

B = 13.10% x pensionable earnings above \$55,300 for calendar year 2017

A + B = member contributions (Employer matches member contributions)

Current Service Credit

Formula ➤

Full time permanent periods of employment qualify for full service credit of one day for each day worked, to 260 service credit days per year.

Current Pensionable

Earnings Formula ➤

Nominal salary earnings plus any additional earnings paid for employment in education.
