

# The School of Social Work and Disability Studies Accessibility Planning Committee

**Mission Statement:** Using awareness to turn barriers into bridges.

**Vision Statement:** to raise awareness about accessibility, discrimination and possible improvements for people with disabilities. Also, to advocate for supports and the removal of attitudinal as well as other access barriers within the School of Social Work. The committee's main objective is for the School of Social Work to be proactive in enhancing inclusiveness, decreasing inequity, and fostering accommodation by promoting and enacting policies that ensure a positive culture of sensitivity and responsiveness.

All undergraduate and graduate students are invited to join the Accessibility Planning Committee.

Benefits may include:

- Gain Experience
- Further involvement with the School of Social Work
- An opportunity to learn about disability and accessibility issues on campus
- Accumulate Volunteer Hours
- Expand your social network

The first monthly meeting of the school year is scheduled for September 30th, 2009 at 4:45PM until 6:30PM.

Please contact Daniel Bilodeau for further information.
