Message from the Director

As Director, University of Windsor Campus Community Police, I am pleased to present the 2018 Annual Report to the campus community. This report covers the period from January 1, 2018 through December 31, 2018.

Campus Community Police has an authorized strength of 23 Special Constables providing onsite policing and security services to the University of Windsor and all of its surrounding lands and properties. As part of our responsibilities these services are now provided to the newly established University of Windsor downtown campus consisting of three buildings that house the School of Social Work and Centre for Executive and Professional Development (Windsor Hall) and the School of Creative Arts (Windsor Armouries/Alan Wildeman Centre for Creative Arts).

Campus Community Police report to the Office of the Associate Vice President, Student Experience. As a component of the Student Experience team Campus Community Police are aligned with many other student support services such as; the Student Success and Leadership Centre, Student Health Services, Residence Services, the International Student Centre, the Student Counselling Centre, Student Accessibility Services, the Aboriginal Education Centre and the Office of Academic Integrity. Together we strive to provide a supportive environment to all of the 15,000 full time, part time and graduate students.

Authority and Jurisdiction

Authority on Campus

We are officially referred to as the University of Windsor Campus Community Police and are designated as a Special Constable Service in order that we are distinguished as an identifiable and separate organization from the City of Windsor Police Service. Our duties are derived from three separate authoritative bodies.

First, we have peace officer/police officer authority on campus by virtue of our appointments as Special Constables through the Ministry of Community Safety and Correctional Services. To obtain the necessary approval an Application for Appointment is submitted for each special constable through the Windsor Police Service, which acts as the sponsoring municipal police agency. The approval appoints each named applicant as a special constable for the purposes of; providing law enforcement and security services to University of Windsor in co-operation with the Windsor Police Services Board; responding to and investigating activity that may violate federal or provincial legislation; taking statements from victims, witnesses and suspects; gathering and preserving evidence; laying informations; apprehending, arresting and releasing offenders; executing warrants and transporting prisoners.

Second, the University of Windsor Special Constables Program (Campus Community Police) and the Windsor Police Services Board operate under the authority of an agreement dated October 31, 2011. The Operating Agreement confers the powers of a **Peace officer** on the University of Windsor Special Constables to enforce the:

- Criminal Code of Canada, R.S.C. 1985, c.046, as amended;
- Controlled Drugs and Substances Act as amended; S.C. 1996, c.19;

And confers the powers of a **Police Officer** to enforce the:

- Trespass to Property Act, R.S.O. 1990, c. T-21, as amended
- Provisions of the Liquor Licence Act, R.S.O. 1990, c. L-19, as amended related to the unlawful consumption, possession, supply, sale, intoxication, and failure to provide proper identification;
- The Mental Health Act, R.S.O. 1990, c. M-7, s. 17 as amended;
- Highway Traffic Act, R.S.O. 1990, c. H-8, as amended
- City of Windsor Municipal By-Laws
- Safe Streets Act

Conferring these powers on our officers allows officers to use the authority of a police officer when dealing with matters relative to the legislation listed. This means that officers have the power to arrest persons, to use reasonable force where necessary and to bring offenders before the courts.

Lastly, we derive our authority from the University of Windsor Security and Policing Policy adopted by the Board of Governors on January 28, 2003. The policy designates Campus Police as being responsible for public safety on campus and sets our objectives to follow their mandate in that regard. We are the designated security department for the University of Windsor and as such by both criminal law and common law we are the agents of the property. This also means that we are the authority figure on campus.

Jurisdiction

The geographic jurisdiction of the University of Windsor Special Constables is restricted to:

- The properties under control of the University and situated within the boundaries of the City of Windsor
- The properties under control of the universities, colleges and institutions federated or affiliated with the University and situated within such boundaries, if and to the extent that the assistance of such Special Constables is requested by any such federated or affiliated institution; and
- The public streets, roads and lanes upon which any of the University properties abut, to the extent consistent with the duties of Special Constable to the University of Windsor.
