Message from the Director

As Director, University of Windsor Campus Community Police, I am pleased to present the 2020 Annual Report to the campus community. This report covers the period from January 1, 2020 through December 31, 2020.

I would like to acknowledge the work of Director Mike MacKinnon who, after over 9 years of dedicated service, retired (August 31, 2020) from his role as Director of Campus Community Police. I would like to thank Mike for his mentorship and for the lasting impact he has made on our organization. A special congratulations to Sergeant Leslie Poisson who also retired this year (December 31, 2020) after over 33 years of dedicated service with our organization. Wishing you both long and happy retirements!

Campus Community Police provides onsite policing and security services to the University of Windsor and its surrounding lands and properties. These services also include the University of Windsor downtown campus consisting of three buildings that house the School of Social Work and Centre for Executive and Professional Development (Windsor Hall) and the School of Creative Arts (Windsor Armouries/Alan Wildeman Centre for Creative Arts).

Campus Community Police report to the Office of the Associate Vice President, Student Experience. As a component of the Student Experience team, Campus Community Police are aligned with many other student support services such as; the Student Success and Leadership Centre, Student Health Services, Residence Services, the International Student Centre, the Student Counselling Centre, Student Accessibility Services, the Aboriginal Education Centre and the Office of Academic Integrity. Together we strive to provide a supportive environment to all full time, part time and graduate students.

In 2020, the COVID-19 pandemic has presented unique challenges for our organization. Through it all, our members continue to provide an essential service to ensure safety and security to all Students, Faculty, Staff, and Visitors who attend our campus community. I would like thank and acknowledge the staff at Campus Community Police for their dedication and commitment to providing a safe and secure community during what can only be described as unprecedented times.

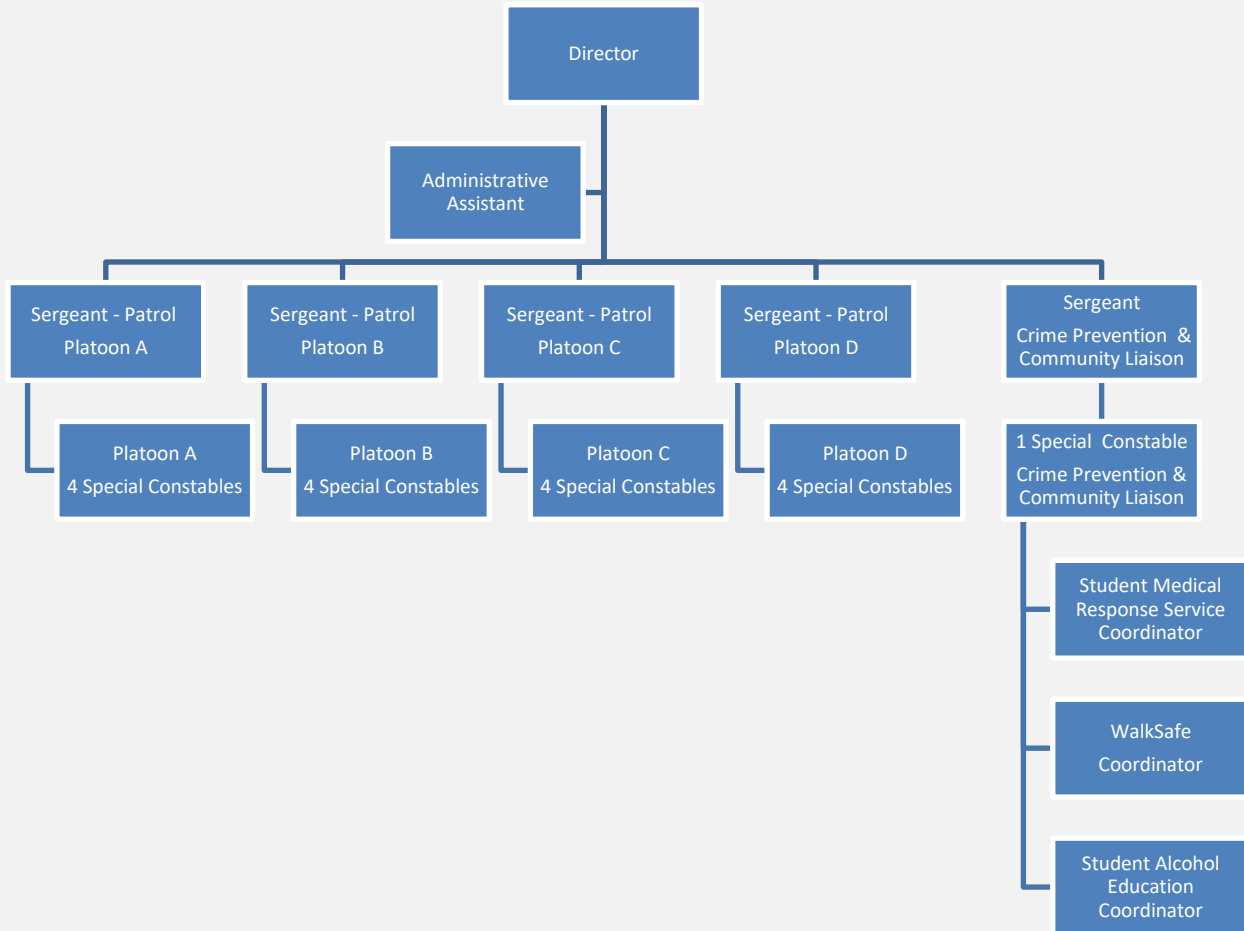

Thank you to the Windsor Police Service for their continued assistance, guidance, and support. Their efforts to assist Campus Community Police with the daily task of providing a safe campus community is always appreciated. I am proud to be a former colleague and now a community partner.

This report provides detailed statistical information including but not limited to information regarding calls for service, enforcement activities, community services, special events, training, and other information of concern. Authority and Jurisdiction

Authority on Campus

We are officially referred to as the University of Windsor Campus Community Police and are designated as a Special Constable Service and are distinguished as an identifiable and separate organization from the City of Windsor Police Service. Our duties are derived from three separate authoritative bodies.

First, we have peace officer/police officer authority on campus by virtue of our appointments as Special Constables through the Ministry of the Solicitor General. To obtain the necessary approval an Application for Appointment is submitted for each special constable through the Windsor Police Service, which acts as the sponsoring municipal police agency. The approval appoints each named applicant as a special constable for the purposes of; providing law enforcement and security services to University of Windsor in co-operation with the Windsor Police Services Board; responding to and investigating activity that may violate federal or provincial legislation; taking statements from victims, witnesses and suspects; gathering and preserving evidence; laying informations; apprehending, arresting and releasing offenders; executing warrants and transporting prisoners.

Second, the University of Windsor Special Constables Program (Campus Community Police) and the Windsor Police Services Board operate under the authority of an agreement dated October 31, 2011. The Operating Agreement confers the powers of a **Peace officer** on the University of Windsor Special Constables to enforce the:

- Criminal Code of Canada, R.S.C. 1985, c.046, as amended;
- Controlled Drugs and Substances Act as amended; S.C. 1996, c.19;

And confers the powers of a **Police Officer** to enforce the:

- Trespass to Property Act, R.S.O. 1990, c. T-21, as amended
- Provisions of the Liquor Licence Act, R.S.O. 1990, c. L-19, as amended related to the unlawful consumption, possession, supply, sale, intoxication, and failure to provide proper identification;
- The Mental Health Act, R.S.O. 1990, c. M-7, s. 17 as amended;
- Highway Traffic Act, R.S.O. 1990, c. H-8, as amended
- City of Windsor Municipal By-Laws
- Safe Streets Act

Conferring these powers on our officers allows officers to use the authority of a police officer when dealing with matters relative to the legislation listed. This means that officers have the power to arrest persons, to use reasonable force where necessary and to bring offenders before the courts.

Lastly, we derive our authority from the University of Windsor Security and Policing Policy adopted by the Board of Governors on January 28, 2003. The policy designates Campus Police as being responsible for public safety on campus and sets our objectives to follow their mandate in that regard. We are the

designated security department for the University of Windsor and as such by both criminal law and common law we are the agents of the property. This also means that we are the authority figure on campus.

Jurisdiction

The geographic jurisdiction of the University of Windsor Special Constables is restricted to:

- The properties under control of the University and situated within the boundaries of the City of Windsor
- The properties under control of the universities, colleges and institutions federated or affiliated with the University and situated within such boundaries, if and to the extent that the assistance of such Special Constables is requested by any such federated or affiliated institution; and
- The public streets, roads and lanes upon which any of the University properties abut, to the extent consistent with the duties of Special Constable to the University of Windsor.

The two members of the Crime Prevention & Community Liaison Unit work in tandem and both maintain a strong working relationship with the University campus community. Among their many duties, they are responsible for the Campus Community Police website and the Campus Community Police social media platforms. They also manage the Campus Community Police CCTV Security system to keep it updated and current and are responsible for the digital display content at various locations across campus.

Additionally, they oversee the University of Windsor Student Medical Response Service (SMRS), which is a group of student volunteers that respond to calls for medical assistance across campus. They are also responsible to oversee the WalkSafe program, which is a separate group of student volunteers that provide after-hours safety escorts for students/staff to local parking lots, residences or other buildings in nearby proximity to the campus.

The Crime Prevention & Community Liaison Unit works closely with the Office of Health & Safety Office to conduct an annual Lighting and Foliage Survey, CPTED safety assessments and the designing and implementing of personal safety plans for students, staff and faculty members when requested.

Below are some of the 2020 highlights for the Crime Prevention & Community Liaison Unit:
