Transfer Credit: As part of the admissions process, submission of transcripts, detailed course outlines and/or other relevant documentation must be submitted to the [Registrar's Office](#) for transfer credit evaluation. Following this, you may also have your transcript assessed by CPA Ontario for **course exemptions**: <https://www.cpaontario.ca/become-a-cpa/ontario-transcript-assessment>. A copy of the assessment would then need to be submitted to the Odette School of Business. Course exemptions will only be considered after transfer credit has been assessed.

Note: to complete the Post-Graduate Certificate in Accounting, students must obtain residency requirements (minimum six courses taken at U Windsor). Three of these six courses must be ACCT 4590, ACCT 4600, and ACCT 4610. Exemptions and/or transfer credits are not accepted for these courses.
