

# My ELIP Story

English Language Improvement Program  
Your language pathway to UWindsor

My ELIP story is wonderful. In the ELIP program, I have learned a lot of knowledge that I did not learn before, which will be very helpful for my future study. In addition, I got to know a lot of warm-hearted and patient teachers and school officials, who are very helpful to my study. At the same time, I also made many like-minded friends in the ELIP program.”

- Qihui Song

Qihui successfully completed ELIP in Winter 2021. She is currently studying in the Master of Education program.
