CELEBRATING UWINDSOR GRADS IN

2024

The Tradition of Convocation

The University of Windsor, like all North American universities, is a product of medieval Europe.

The structure of a university has remained unchanged from its emergence in Paris and Bologna in the late twelfth century. The ceremony of Convocation (the calling-together of an academic assembly) is replete with reflections of this medieval background.

The Mace

The mace is a staff symbolizing authority. In days of knighthood, it was a weapon, but after the sixteenth century it became a symbol of authority carried by a distinguished member of the assembly.

The mace represents continuity and stability. The Mace-bearer or Beadle symbolically ensures order. Our Mace-bearer carries the mace in the Convocation procession preceding the Chancellor and the President and Vice-Chancellor.

Smudging

Smudging involves the burning of substances such as sweet grass, cedar and sage during Indigenous events.

This practice is based on traditional beliefs that the smoke produced is a means of purification and to create a positive mindset for those involved in the activities. The smoke and scent produced during a smudge is minimal and often dissipates quickly.

National Anthem

O Canada! Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux.
Ton front est ceint de fleurons glorieux.
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits,
Protégera nos foyers et nos droits.
