MSML Thesis - Statement of Interest Instructions

The Statement of Interest is your opportunity to highlight the following:

- Your specific area of research interest (i.e., the research topic you would like to explore)
- How your past education and other experiences have prepared you to be successful in the MSML graduate program
- What you hope to achieve in the graduate program
- Why the MSML program at the University of Windsor is the best place for you to pursue your interests

Some other tips for writing a strong Statement of Interest include:

- Identifying any specific skills/techniques you possess relevant to your identified field of study
- Connecting your area of research interest to faculty associated with the MSML program (you can even mention specific faculty members and/or projects)
- Referring to academic publications that have informed your interest in a particular area
- Mentioning any publications, presentations, or conferences that you have been a part of

Formatting and submission guidelines:

- Write in the form of a short essay within the space provided below (max. 2 pages in length)
- When complete, save as pdf and upload into the application portal
