

Collaborative Nursing Degree Program

Mission, Guiding Principles, Vision and Strategic Goals
2022-2026

University of Windsor

Mission Statement

The Collaborative Bachelor of Science in Nursing is a joint partnership between the University of Windsor, St. Clair College and Lambton College.

Our Mission

To develop nurse professionals ready to influence care and enhance the health and wellbeing of individuals, families, communities and populations through evidence-informed, innovative learning opportunities.

Our Guiding Principles

Respect

We strive for relationships grounded on collegiality, trust, dignity, compassion and empathy.

Equity, Diversity and Inclusion

We actively promote social justice and health equity, embrace differences and create a welcoming environment for all.

Our Guiding Principles

Safety and Wellbeing

We promote a culture of safety and physical, mental, spiritual and social wellbeing for all.

Scholarship

We advance the nursing profession and contribute to the betterment of society through discovery, integration, teaching, and the application of knowledge.

Our Guiding Principles

Leadership

We inspire and influence change and empower people to reach their full potential.

Professionalism

We commit to lifelong learning to build and sustain positive outcomes, and uphold the highest standards of nursing practice.

Vision Statement

We are a thriving academic community recognized as a leader in developing exceptional nursing professionals who advance health and inspire change.

Strategic Priorities

Academic and
Student
Excellence

Scholarship
Culture

Capacity
Building

Progressive
Promotion and
Recruitment

Academic and Student Excellence

Goal	Objectives
Enhance and standardize the learner-centred experiences across program sites.	<ul style="list-style-type: none">• Conduct a review of the program delivery for each site to ensure standard application of the curriculum and learning experiences.• Explore opportunities to diversify program delivery modes and increase service-learning opportunities.• Identify opportunities to incorporate equity, diversity and inclusion within all aspects of program delivery.

Scholarship Culture

Goal	Objectives
Enhance and support the culture of scholarship across sites.	<ul style="list-style-type: none">• Increase research and scholarship (discovery, integration, teaching and application) opportunities among faculty, program sites, students and community partners.• Identify research supports to enhance research capacity within and across sites.

Capacity Building

Goal	Objectives
Enhance the capacity to achieve the program vision.	<ul style="list-style-type: none"><li data-bbox="1294 475 2349 575">• Identify opportunities to build resilience and support the wellbeing of faculty, staff and students.<li data-bbox="1294 589 2196 632">• Strengthen clinical placement partnerships.<li data-bbox="1294 646 2145 739">• Identify key actions to address budgetary constraints.

Proactive Promotion and Recruitment

Goal	Objectives
Build excitement about the key roles and diverse opportunities for nursing professionals.	<ul style="list-style-type: none">• Review and update the student recruitment plans to address emerging opportunities and threats.• Develop a strategy to highlight the broad range of career opportunities for nursing professionals.
