

DEADLINE DATE: Tuesday, October 15, 2024
(Positions are subject to final budgetary approval and student enrolment)

In accordance with Section 54-07 of the 2021-2025 Collective Agreement, the Faculty of Nursing invites applications from qualified individuals to teach the following course(s):

COURSE	NURS 2930 Mental Health Nursing
TERM	January – April Section 1: Wednesdays 8:30 – 11:20am In-Person
DESCRIPTION	This course introduces the learner to specialized nursing knowledge required to understand, promote, and maintain mental health and wellness across the lifespan. This course focuses on the nursing care of individuals experiencing major mental health disorders. Comprehensive and focused mental health assessments; crisis intervention and prevention; therapeutic communication techniques/skills; and the promotion of positive mental health outcomes are addressed. Through a trauma-informed lens, principles of physiology; pharmacological and non-pharmacological interventions; and collaborative, quality, and evidence-based care are explored.
QUALIFICATIONS	See below*

COURSE	NURS 8620 Therapeutics in Primary Health Care II
TERM	January – April (1 sections available) Fridays 8:30am – 11:20am, OR 1:00pm – 3:50pm In-Person
DESCRIPTION	Integrate conceptual frameworks and evidence underlying the study of pharmacotherapy, advanced counselling, and complementary therapies for complex client situations. Demonstrate substantive initiative, responsibility, and accountability in complex decision making.
QUALIFICATIONS	See below*

COURSE	NURS 8580 Advanced Health Assessment and Diagnosis (Theory – in person)
TERM	January – April (1 sections available) Fridays
DESCRIPTION	Differentiate concepts and frameworks essential to advanced health assessment clinical reasoning, and diagnosis in advanced nursing practice. Apply clinical, theoretical, and scientific knowledge in comprehensive and focused health assessment, including history taking, physical examination, diagnostic reasoning, and interpretation for the individual client’s diagnostic plan of care. (Prerequisites or corequisites: NURS-8500, and NURS-8810). (3 hours seminar per week, 6 hours clinical per week)
QUALIFICATIONS	See below*

***Qualifications for posted courses:** Successful candidates must have appropriate academic credentials and teaching competence as set forth in Article 54:06(a) of the Collective Agreement, BScN, a graduate degree - must have a completed Master’s degree, with PhD preferred (graduate degrees in nursing preferred), and be currently registered with the College of Nurses of Ontario. NP courses require certification as Nurse Practitioner in Ontario to teach.

Must be available to teach for the entire term, with no conflicting personal or work commitments.

The University of Windsor is committed to employment equity and welcomes applications from Indigenous Peoples, persons with disabilities and members of the visible minorities. Male applicants are encouraged to apply.

Sessional Instructors currently on the roster (i.e. have been interviewed and approved to teach) must complete the online response form by the posting deadline at:
https://uwindsor.ca/1.qualtrics.com/jfe/form/SV_3rDNFYdRbuoicrY

New Applicants must submit an application package as instructed at:
<http://www.uwindsor.ca/nursing/faculty-staff-employment>. For additional information, please contact the Faculty of Nursing Office at 253-3000 ext. 2259.
