# Welcome 3<sup>rd</sup> year Nursing Students

Transition Day

June 14, 2024

# What is the Clinical Learning Centre (CLC)?

- Lab space on campus and virtually
- Resource for students, faculty, and staff
- Provides learning opportunities through appointments with peer mentors (in person and virtual) and open lab practice.
- A safe, judgment free atmosphere to ask questions about skills, clinical assignments, and much more.
- The CLC consists of the General (GEN) nursing lab and the Simulation (SIM) nursing lab.

# General Nursing Lab

The general lab is located in Toldo & the Medical Education Building (MEB). These two buildings are attached.

The general lab consists of:

- Main office
- 6-bed practice lab with new mid-fidelity manikins
- 6-bed nursing skills lab including a medication room with a PYXIS machine
- 4-bed practice lab
- 8-bed experiential learning lab (MEB)
- 2 primary care rooms with viewing station (MEB)

# General lab information

- The general lab is open for a variety of hours to meet the nursing students' needs.
- We book peer mentor appointments so you can have one on one time with a peer mentor.
- We offer virtual appointments.
- The general lab provides support, education, and expertise to assist the nursing students to be successful with hands on skills at their clinical settings.
- Information is posted on the CLC Brightspace site.

# General Lab Staff

Clinical Lab Coordinator: Lacey Rivest RN BScN CHPCN MN graduated from the University of Windsor BScN program in 2007 and University of Windsor Master of Nursing program in 2023.

Peer Mentors: 3<sup>rd</sup> and 4<sup>th</sup> year nursing students hired to work in the general lab. They help the students with hands on skills, answer questions, and support the nursing students in all levels.

# Resources

# Did you have Accommodations at your previous institution?

1. Fill out an intake form at [www.uwindsor.ca/sas](http://www.uwindsor.ca/sas)
2. An advisor will be assigned to you and reach out to make an appointment
3. Gather your medical information from your previous institution to be accommodated here at the University of Windsor

# What if I don't have Medical Documentation?

- Fill out an intake form [www.uwindsor.ca/sas](http://www.uwindsor.ca/sas)
- An advisor will meet with you and help you to get medical documentation filled out

# Myths - debunked

"If I am accommodated, my employer will know and I won't be hired."

- Your employer does not need to know that you received academic accommodations

"When I graduate it will say that I had accommodations during my degree process."

- Your degree will look the same as everyone else's. There is no mention of being registered with SAS on your degree

# Student Health, Counselling & Wellness

Laura Little, MSW, RSW  
Clinical Therapist, Faculty of Nursing

Nursing Student Support Centre  
Room 201-A  
Toldo Health Education Building

It is **normal** to need support when facing a challenge or experiencing painful emotions.

Asking for help is **always strong** and brave, it is never weakness.

By reaching out for support, you are taking **care** of yourself and working to find a way through the challenge. This is **resilience** in action.

At UWindsor, we want you to tell us if you are struggling so we can **support** you. There are **safe**, caring professionals who are here to help. You are not alone.

# When should I seek professional help for my mental health?

*“I’m struggling... but I’m not sure if I need counselling”*

## **You could benefit from student health, counselling & wellness services if:**

- You are having difficulty with your daily living routine (trouble sleeping, eating, attending classes, feeling isolated etc.)
- You are having a hard time coping or adjusting to changes
- You are struggling with difficult or upsetting thoughts or feelings; or there is a troubling situation you are dealing with.

Students make appointments for many different reasons:

*Excessive stress*

*Boundaries*

*Panic and/or Anxiety*

*Substance use*

*Depression*

*Disordered Eating*

*Relationship issues  
(family, roommates,  
significant others)*

*Abuse (verbal, emotional,  
physical, sexual)*

*Processing difficult  
events*

*Trauma*

*Grief*

*Suicidal thoughts*

# What kind of help is available to me if I am struggling?

- **Single Session/Drop-in appointment** – if you have a specific issue and would like to talk to a professional asap, you can choose a single session to get a different perspective or some tools to use. This is a one-time, single counselling session with one of the SCC therapists.
- **Group Sessions** - Whether you want to overcome challenges, improve relationships, connect with others, or learn new skills, there is a place for you.
  - **CBT**- learn how to use Cognitive Behavioural Therapy (CBT) tools to help manage anxiety & your mood
  - **ADHD** - improve your executive functioning, learn skills to manage symptoms associated with ADHD
  - **DBT** - learn skills to improve relationships, deal with conflict, manage your emotions, cope with distress, and be more mindful.
  - **Plus, many more!** 2SLGBTQIA+ & Black student specific groups, social anxiety, self-compassion- just check the link to see what is offered each semester
- **Brief Initial Consultation** – if you aren't sure where to start, you can schedule an appointment for a brief consultation we will assess your concerns and set you up with a course of action- whether this be referrals to resources and programs on or off campus or short-term counselling, our therapists can help point you in the right direction.

# How do I access services?

1. Contact the [Student Counselling Centre](#) by email, phone or in person:
  - 519.253.3000 ext. 4616
  - [scc@uwindsor.ca](mailto:scc@uwindsor.ca)
  - CAW Student Centre 2nd floor, room 293 (Mon-Fri 8:30am-4:30pm)
2. Our office administrators will give you confidentiality & informed consent documents to register for our services. They will also ask what service you are interested in (single session, group, brief initial consultation) and how you would like to connect. Our services are offered in-person, via secure videoconference, or by telephone (\*groups are in person or online)
3. After the forms are completed, they will schedule you for an assessment and/or a session.

***Our services are confidential and offered at no additional cost to students currently enrolled at the University of Windsor***

# Clinical Pre-Clearance Overview

- Hospitals and community agencies mandate that students meet specific medical and non-medical requirements.
- Students need to be cleared annually- University of Windsor is now using Verified Synergy Gateway to complete the screening process.
- Flexible appointment scheduling.
- Confidentiality and privacy maintained.
- Fees for screening available on the **Synergy ERV forms** found on the Pre- Clearance information link found on the main University of Windsor Nursing page.

# How to do your Synergy pre-clinical clearance:

- ❑ Activate your uwindsor.ca email - this is so synergy can send you your account information.
- ❑ Make sure you can log into your **Verified Synergy gateway** account.
- ❑ Upload **all** your required documents and completed forms to your Verified Synergy profile as directed
- ❑ Any time after **June 1<sup>st</sup> 2024** make an appointment for review of your documents on Synergy once everything is uploaded. *\*Please Note: There is a fee for each time a review is done so please ensure you have **all** the requirements uploaded **and** that they will all be valid until last day of all your clinical placements this year before making the appointment to avoid additional fees and delays of your clearance.*
- ❑ Be prepared to bring a hard copy of your Verified Synergy clearance to your clinical orientation. In September.

Due Dates to complete Clearances is **August 19<sup>th</sup> 2024**

Initial appointments for reviews can take up to 48 hours to be done additional reviews can take longer. Please consider that when making your appointments.

# Where to find the Pre-Clinical clearance information

- <https://www.uwindsor.ca/nursing/>
- Scroll down to the Preclearance and information and forms tab
- Use the ERV and check list available on this site to ensure you have the have your medical and non-medical documentation ready to upload to your synergy account.
