

Pre-Placement Requirement Clearance Information Registered Nurse Year 2-4 Students

*In partnership with **Synergy Gateway Inc.***

University of Windsor has partnered with Synergy Gateway Inc. to provide support and clearance for pre-placement requirements. To have your documents validated you will be required to book an Electronic Requirements Verification (ERV) Review through **Verified**, a proprietary platform that is used by students across Ontario for the purpose of digitally collecting placement requirements and documentation for verification. Log in details to [Verified](#) will be sent to your school email account once the system is up and running for our programs.

DEADLINES

Pre-Placement Requirements Due: August 19

YOUR ERV REVIEW

Be sure to review the list of pre-placement requirements below and have a plan when and how you will be completing them. It is important to remember that some requirements may take an extended time to complete.

Once your access is activated, book an ERV Review through your *Verified* account. For help on how to navigate *Verified*, please log in and go to Important Forms. There you will find user guides to assist you with the process.

You are encouraged to *book* your Review early, even if you do not have all documentation in place. Do not wait until a week or two before the deadline to book your Review; Review times will fill.

Ensure all your pre-placement documents are uploaded to your account by 9:00 AM (EST) on the day of your ERV Review. You do not need to be “present” on the day of your Review – this is the date that Synergy Gateway retrieves your documents for review.

To avoid paying additional Review fees, ensure all your documentation has been uploaded *before* 9am (EST) of your ERV Review date. If documents are outstanding at this time, you will not be cleared for placement. If documentation is missing or a requirement is not complete, you will need to book a follow-up Review for an additional fee.

Once your documents have been reviewed you can download your Compliance Summary Document which will serve as a Completion Certificate. *Keep this for your records.*

Synergy Gateway Inc. is *not* the authority on University of Windsor policies and deadlines. Please check with Andrea.Reddam@uwindsor.ca if you have questions about anything related to pre-placement requirements.

Please upload for your Review:

- Immunization medical form
- Blood work/lab reports (as required)
- Certification cards (as required)
- Originals of all documents

Synergy Gateway is here to help! Contact Synergy Gateway at www.Synergyhelps.com - Submit a Help Desk ticket and they will be in touch. Their Help Desk hours are Monday to Friday, 10am – 3pm (EST), excluding holidays.

**** Important Note****

Please ensure your documents are valid until the end of your placement period. Students with requirements expiring during the placement period must renew (before expiry) and provide updated documentation to Verified by Synergy Gateway Inc. to continue to be eligible for placement. This will require another ERV Review at FULL service fees. To avoid multiple Review fees, we suggest you update all expiring documents in one Review.

Student Declaration of Understanding

Workplace Safety and Insurance Board or Private Insurance Coverage for Students on Unpaid Placements

Student coverage while on unpaid placement:

The government of Ontario, through The Ministry of Colleges and Universities (MCU) reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (university). Students enrolled at an Ontario postsecondary institution are eligible for Workplace Safety Insurance Board (WSIB) coverage while on placements, either required or optional, that are part of an Approved Program. ([See the Guidelines](#) for details regarding eligibility for Ministry coverage.)

MCU also provides private insurance through Chubb Insurance (formerly ACE-INA) to students should their unpaid placement take place with an employer who is not covered under the Workplace Safety and Insurance Act and limited coverage where eligible placements take place outside of Ontario (international and other Canadian jurisdictions). However, students are advised to maintain insurance for extended health care benefits through the applicable student insurance plan or other insurance plan.

Please be advised that University of Windsor will be required to disclose personal information relating to the unpaid work placement and any WSIB claim or Chubb claim to MCU.

This Agreement must be completed and signed to indicate the Student Trainee's acceptance of the unpaid work placement conditions, and a copy provided to the University of Windsor placement coordinator prior to the commencement of the work placement.

Declaration:

I have read and understand that WSIB or private insurance coverage will be provided through The Ministry of Colleges and Universities while I am on an unpaid placement as part of an Approved Program.

I agree that, over the course of my placement, I will participate in and implement all safety-related training and procedures obtained from the University and the Placement Employer. I will provide the University with written confirmation that I have received safety training.

I will promptly inform my Placement Employer of any safety concerns. If these concerns are not resolved, I will contact the University's placement coordinator within my faculty and notify them of any unresolved safety concerns.

I understand that all accidents sustained while participating in an unpaid work placement must be immediately reported to the Placement Employer and my University of Windsor placement coordinator. A MCU Postsecondary Student Unpaid Work Placement Workplace Insurance Claim form must be completed and signed in the event of injury and submitted to the University placement coordinator.

I consent to the release of my personal information relating to the placement to my Placement Employer and MCU, including address, telephone number, date of birth and social insurance number.

In the event of an injury, I also agree to maintain regular contact with the University and to provide the University with information relating to any restrictions and my ability to return to the placement.

I understand the implications and have had any questions answered to my satisfaction.
