

CAW Student Centre

Outside of CAW Student Centre main entrance

Location

Located on the north side of campus, east of Huron Church Road. Nearby buildings include Dillon Hall and Memorial Hall both located to its east.

Attached to the CAW Student Centre (CAWSC) are the Education Gym and University Computer Centre (UCC).

Map highlighting CAW Student Centre with blue arrows pointing to accessible entrances.

Main Entrance

The main entrance to CAWSC is accessible and is located on the east side of the building. There are actuators to open the first and second set of doors. After entering the first set of doors there is a vestibule that includes an elevator on the right-hand side and a payphone on the left-hand side. External accessible entrances at the CAWSC are equipped with Key2Access door openers allowing a visitor to open doors with their phone.

The actuator for the second set of doors is located on the left side. Once through the second set of doors, there is access to the CAW Commons, Information Desk, and a Starbucks.

Outside the main entrance at CAW Student Centre. Ground-level with an actuator.

Additional Accessible Entrances

- Northwest entrance near Assumption Hall has a ramp and door actuator. This entrance is equipped with Key2Access door openers allowing visitors to open doors with their phones.

Northwest Entrance with ramp and actuator.

- East entrance facing Memorial Hall: Actuator. This entrance is equipped with Key2Access door openers allowing visitors to open doors with their phones.

East entrance to CAW Student Centre. Ground-level with an actuator.

- East entrance to Education Gym facing Dillon Hall. Doors are equipped with actuators. Inside the doors is an elevator. Elevator provides access to gym (Level 1) and to the lower level of the CAWSC (Level B2).

East Entrance connecting to Education Gym

- South entrance facing Essex Hall is equipped with a ramp and actuator. This entrance leads to the University Computer Centre (UCC).

South entrance leading to University Computer Centre. Ramp and an actuator.

Additional Entrances:
