

Essex Centre of Research (CORe)

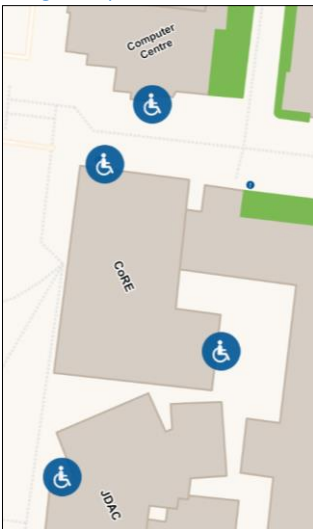

Exterior view of Essex Centre of Research (CORe) building.

Location

CORe is connected to Essex Hall on the south side. It is located across from the University Computer Centre (UCC).

[Google Maps to Essex Centre of Research \(CORe\)](#)

Map highlighting CoRe building with accessible entrances.

Main Entrance

The main entrance is located on the north side of the building, directly across from the University Computer Centre. It is **accessible** as it is ground level and is equipped actuators. The elevator in CORE provides access to all four levels in Essex Hall and in the CORE building.

Main Entrance of the Essex Centre of Research building. Ground level with actuators.

Washrooms

Floor	Type
1 st	Universal Note: equipped with baby change table
3 rd	Universal Note: equipped with baby change table

Elevator

There are two elevators in CORE. The **passenger elevator** is located in the main lobby of CORE. The large **freight elevator** is located through the door to the right of the passenger elevator or can be accessed by taking the passenger elevator to the lower level where both elevators open.

Elevator buttons and door jams are equipped with braille and raised lettering.

Both elevators provide access to Essex and CORE:

- BR** – Opens at lower level through the rear door
- G** – Main floor (lobby)
- 1R, 2R, 3R** – Opens east to provide access into Essex
- 2, 3** – Opens west to provide access to CORE

Bike Racks

Bike racks are located both directly across from and to the left of the main entrance.

Water Fountains

1st Floor

- An **accessible** water fountain can be found directly across from room 105.

2nd Floor

- Traditional water fountain can be found left of the elevator.

3rd Floor

- Traditional water fountain can be found left of the elevator.

Commented [CG1]: check

Directory

Located to the right of the main entrance once inside the double set of doors.
