Maintaining your Conditional Offer of Admission for the 2025 Academic Year

Version: November 5, 2024

Conditional Offers of Admission are often provided when studies are in progress or when documentation submitted by the applicant is considered unofficial or incomplete. To review your final admission condition(s), please refer to your Offer Letter in UWinsite Student. Students coming directly from high school must have successfully completed the Ontario Secondary School Diploma (or equivalent, if from outside of Ontario) with a minimum 70% overall average of six Grade 12 U or M courses, including ENG4U. Additional program-specific requirements for maintaining your offer of admission are below. The University of Windsor has set guidelines for whether students are exempt from the English language Proficiency requirement. If you have an English Language Proficiency requirement on your To Do List, please review the Policy on English Language Proficiency Requirement (Undergraduate) to determine if you are exempt. Students must satisfy the conditions specified in their Offer Letter to maintain admission to the University of Windsor. If you need to upgrade courses to retain your Offer of Admission (i.e. through summer school, virtual school, etc.) final official grades for any additional courses taken must be received by the Office of the Registrar by August 31, 2025, for admission to the Fall 2025 term.
