1. The GSS and University have set up a Steering Committee for the Leddy West Library renovation project. The estimated date for completion is January 2025.
2. The GSS in collaboration with the Faculty of Human Kinetics, the Odette School of Business, and the Faculty of Engineering have signed a gift agreement for the enhancement of the Lancer Cricket Pitch. This will see the GSS contribute \$225,000 over two years with the project being completed by the end of the summer semester.
3. The new GSS Executives were ratified by the GSS Board of Directors. Our terms will be completed in April 2025.
4. To date, the GSS has handed out nearly 3500 Summer UPass cards. Transit Windsor is expected to go digital within two years, with an app-based system for riders.
