

My ELIP Story

English Language Improvement Program
Your language pathway to UWindSOR

"I attained the skills of writing essay, especially citation. Meanwhile, my presentation skills have been improved as well during the learning process because I had many opportunities of practice. In ELIP classes, I could co-operate with classmates for discussing on various topics. After classes, I was encouraged and asked to complete many tasks, like preparing presentation powerpoint, recording my speech, which helps to improve my oral English to some extent."

- Hollie Liu

Hollie successfully completed ELIP in Intersession 2021. She is currently studying in the Master of Education program.
